Because of the man you are today. We get to know the true meaning of love and know what we deserve from any man that comes into our lives. Love you always, Moni XOXO

I'm so proud to be your son and am always in awe of the way you hold yourself now - revolutionising the ways of being a husband + father + koko. Thank you for becoming the man we both needed when we were kids, I'm glad we have you now. Love from K-Ci x
